Napoleon Fireplaces & Grills

Barrie's Best Fireplace and BBQ Centre

More than 30 years ago, Wolfgang Schroeter started a small local fabricating company with a handful of people to help.

Now Napoleon Fireplaces & Grills has 500 plus employees, four North American manufacturing facilities and interests around the globe.

"It's a proud Canadian story," says Steve Gauci, Director of HVAC & Retail Operations. Ten years ago, a new showroom (which now sits at 12,000-square-feet) replaced the tiny original showroom to "make more of a commitment to our customers."

Today, local consumers have rewarded the decade of hard work with the third straight Barrie Examiner reader award for Barrie's Best Barbeques and Fireplaces.

"It's nice to see people recognize our efforts. We do it all for them - we might sell worldwide, but the showroom is for all to enjoy in person." Napoleon touches a lot of people everyday, he continues. "If our neighbours haven't visited the store we encourage them to do so - we always have fireplaces on and fresh coffee available."

And every third Thursday of the month, the experts teach barbecue-cooking lessons. "It's fun," says Gauci. "They sell out months in advance." Napoleon, which is the largest fireplace manufacturer in Canada, has diversified in recent years to include furnaces and air conditioners in their product offerings.

For more information, visit the showroom at 24 Napoleon Road (at Highways 93 and 11), go online to www.napoleonhomecomfort.ca, or call [705-721-1214](tel:705-721-1214).

and Naturopathic Clinic

The therapists at Well Now are thrilled to accept these Barrie's Best awards for the third year in a row and extend sincere thanks to their patients for this honour.

Well Now is a clinic dedicated to helping their clients achieve their health goals. The health care team offers Registered Massage Therapy, including advanced manual therapies, and Naturopathic medical care in an environment that encourages their clients to take a step away from the hustle and bustle of their everyday lives and focus on their health.

Clinic founder Victoria Duncan RMT, Osteopathy (current studies) and Jeff Green RMT, B.Sc.(H.K.), Osteopathy (current studies) are both in the process of completing their training in osteopathic manual therapy training with Victoria being in her final year of studies and Jeff beginning the thesis portion of the program. Osteopathic manual therapies include cranio-sacral therapy, visceral manipulation and myofascial release techniques with a focus on finding the cause of dysfunction rather than treating symptoms. These advanced therapies are used within the context and scope of practice of Massage Therapy.

Jennifer Posylek RMT and Jennifer Keaveney RMT skillfully use a variety of techniques including Swedish, Deep Tissue, Thai Hot Stem and Hot Stone massage, tailored to the unique needs of their clients. Sports or work related injuries, motor vehicle accidents, prenatal treatments, stress related concerns and general wellness issues are treated. They focus on stretching, hydrotherapy and other home care instructions to improve their client's health between visits. Julie Thurston, Naturopathic Doctor, provides patients with insight as to how their mind and body are functioning by taking an extensive health history, performing a physical examination and using laboratory testing. Then she explains how the symptoms they are experiencing are interrelated and offer science-based natural therapies that address the root cause of their concerns.

All of the Well Now practitioners are licensed and their services are reimbursable by extended health care plans. For more information please visit their website at www.wellnowhealth.ca, or call 705-726-5412.

Natural Balance Day Spa

Nominated as Barrie's Best Spa

Natural Balance Day Spa is a newcomer to the Barrie Spa scene, having only opened nine months ago in the South-East end. When Owner/Esthetician Krista Kennedy heard that they had been nominated as one of Barrie's Best Spas for 2011, she was thrilled. "We are happy to be recognized, this early in our venture is a great honour," says Kennedy.

When you enter Natural Balance Day Spa you are instantly relaxed, from the soft lighting & relaxing music to the soothing décor. You will want to come in and stay awhile, which is easy with the great variety of treatments we offer, from Manicures & Pedicures to Facials & Relaxation Massage. A Day at Natural Balance Day Spa is a welcome retreat.

Krista has also done her research when it comes to the products she uses in her treatments, from Pevonia Botanica Skin Care & SpaRitual nail polish to her own signature Home Made Sugar Scrub.

"I want my clients to not only look great but to feel good about what they are using on their skin," she says. "So many products these days contain harmful ingredients such as formaldehyde, pesticides, plasticizers and surfactants, just to name a few. Imagine what that does to your skin not to mention the environment."

So stop by for a treatment or just to say "Hi" and have a tour. We guarantee you'll be back again and again.

Natural Balance Day Spa is located at 411 Huronia Rd in Barrie, for more information call **705-716-4852**.

Skinsational

Barrie's Best Overall Aesthetics Studio

Enhancing beauty and relaxation are more than just expressions to the folks at Skinsational Inc. in Barrie - they have been the company's mantra since it opened its doors. Now, 23 years later, the owner of Skinsational, Darlene Price has used that mantra to develop a successful business plan that always put the needs of her clients first by offering not only exceptional service - including manicures, pedicure, body treatments and massage therapy - but does so in a welcoming environment.

"We do our utmost to offer exceptional services in a warm and friendly atmosphere," says Price. When a client enters Skinsational they can expect to be treated with professionalism from the company's 19 staff members. Ready to take care off all their needs are 10 aestheticians, four massage therapists, a laser therapist and four receptionists. In fact, having a staff with such varying degrees of talents has allowed Skinsational to offer a variety of extra services that customers would be hard-pressed to find elsewhere, including specialized facial treatment for skin toning, acne treatments and microdermabrasion.

But even offering these extra services has never stopped the managers of Skinsational, Erin Reynolds and Colette Malcolm, and their staff from trying to find the most effective treatments to ensure all the needs of their clients are met. "We are always looking for effective treatments to enhance the beauty and relaxation of our clientele," says Price.

The company has also, throughout the years, looked at the needs of the community as a whole and has continued to be a big booster of many local charities through regular donations and fundraisers. RVH and Gilda's Club are just a few of the many local groups that have benefited. With this kind of mix between exceptional service and community awareness, it's not hard to see why Skinsational has been the winner of Barrie's Best since the award was first handed out.

See for yourself what Skinsational has to offer. Located at 65 Cedar Pointe Dr., Unit 801 in Barrie, open Monday to Friday from 9am to 9pm, and by appointment on Saturday from 9am to 4pm.

Moffatt's Northwood Mazda

Barrie's Best Pre-owned Car Dealership

Zoom, Zoom to Moffatt's Northwood Mazda for new and used vehicles!

Throughout its history, Moffatt's Northwood Mazda has been committed to providing its customers with outstanding value, quality and service. It offers some of the most exciting vehicles on the road today, along with one of the best warranty packages. Moffatt's qualified staff are happy to assist you with your specific needs in service, sales, leasing, and parts.

In the 2010, after 20 years on Essa Road, the dealership relocated to its new building in Barrie's south end. Owner Bryan Moffatt and partner Dave Word were committed to upgrade. "It was time to move on and expand to better serve our customers. With all of the dealerships in one place, people can spend the day on Mapleview considering their options without the need to run all over town to do their research," says Bryan Moffatt.

Moffatt's Northwood Mazda has been an outstanding supplier of used vehicles to the area, perhaps this is why Examiner readers chose it as Barrie's Best Pre-owned Car Dealership, for the 2nd straight year. "To be chosen again by our great customers is privilege, our commitment is always to put them first, and it's nice they have returned the honour" adds Brian.

In addition, readers have further selected salesman Mark Moffatt, as Barrie's Best Car Salesman. "Wow, this is unbelievable, thank you clients for this," says Mark, adding "It's nice to get positive feedback." Family owned and operated, and serving Barrie since 1978, Bryan Moffatt's policies and ethics haven't changed since we opened. "I learned the proper way to look after people from my father," states Bryan, adding, "Our reputation has made us what we are today."

Moffatt's Northwood Mazda specializes in a wide variety of cars, every make and model. True 100% Warranty coverage on anything \$7,000.00 or over. We look forward to working with you.

Klassic Auto Wash

Barrie's Best Auto Wash

"Your Image is Our Business!" is the Klassic Auto Wash motto.

Owned by Ted Hewett and family, Klassic Auto Wash has been serving the Barrie area for the past 19 years from its Anne Street South location. In that time Klassic Auto Wash has grown to include more than 25 full and part time employees.

The 'Klassic' name has become synonymous with a superior clean, excellent service, and attention to the finer details. Offering its customers a full service Envirosoft foam wash, complete with interior and exterior auto detailing service that are sure to make your car appear better than new. As a added benefit it also houses a full service Petro Canada fueling station onsite.

Klassic Auto Wash was identified by Barrie Examiner readers as Barrie's Best auto wash, while coming as no real surprise to most area residents, Hewett was still excited, "It's fantastic, we have a great staff here who work hard at trying to satisfy the needs of our customers. It's great to see them recognized for their efforts."

As great contributor to local charity fundraising efforts, Klassic Auto Wash is always willing to help good causes. This was exemplified with its support and initial sponsorship of the Thursday Night Lights football events. Which helped Barrie's undervalued high school football teams and players receive the attention that had been lacking.

As the motto states to Klassic Auto Wash, your image is there business; visit them at 129 Anne Street South, or call [739-0381](tel:739-0381) for more information.

Douglas Ford Lincoln

Barrie's Best New Car Dealer and Favourite Truck (F-150)

Since 1973 the Douglas Ford Lincoln philosophy has always been to make the purchasing and servicing of automobiles a pleasurable and unique experience.

Owned by Angelo Vilardo, the dealership has been a Bayfield street mainstay and employs 86 full and part time staff.

By providing excellent service, Douglas Ford wants you to be a customer for life. They want their customers to be thoroughly satisfied, not only on the day of purchase or next lease, but also all the years they'll be driving. Apparently many have agreed, as Douglas Ford was selected by Examiner readers as both winner of Barrie's Best New Car Dealer and repeating winner of Barrie's favourite truck, the Ford F-150.

Darryl Winslow, General Manager is encouraged; "Our customer's response is the best measure of our commitment to their complete satisfaction. It's great to be recognized for our hard work."

In addition Douglas Ford is a strong participant in the business community, with the Chamber of Commerce and the Barrie Construction Association. Douglas Ford was rewarded as the prestigious 2010 President's Award Diamond Club Winner

Jennifer considers your eye colour and skin tones before creating the precise blend of colour to highlight your best features.

Jerry's Audio/Video
Barrie's Best Audio/Video Retailer

If you are looking for maximum quality, great support and a low price, look no further. Customers are pleasantly surprised that Jerry's prices are as low as and more often even lower than the big box stores.

Jerry's Audio/Video has been providing the ultimate experience in personal stereos and home theatres for 55 years. Owner Neil Harmer and manager Barry Henderson provide excellent service with custom installation, design, pre-wiring, sales and service and are specialists in simplifying the daily operation of today's digital electronics. Because customers are important, they benefit from years of audio and video experience and amazing technical support that Jerry's has been offering the community for so long. "As we have seen many of the competition come and go over the years, we are very excited to be still around to be acknowledged by our loyal customers, and will remain here too," says Harmer.
